

Appln. No. 09/921,864
Amdt. Dated June , 2004
Reply to Final Office action dated March 31, 2004

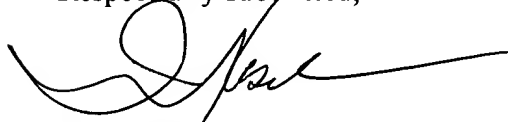

REMARKS/ARGUMENTS

Claim 6 has been canceled without prejudice.

Independent claim 7 has been amended to change the means language to a component type limitation i.e. an initialization circuit. Thus, it is believed the rejection of claim 7-10 under 35U.S.C. 112, second paragraph has been obviated.

In view of paragraph 7, page 3 of the Final Office action and the amendment set forth hereinabove, it is requested that a Notice of Allowance be issued in this application.

Respectfully submitted,
